Job Title: Sales Referral Consultant for Educational Software Company

Company: Seacliff Educational Solutions

Job Description:

Interested in making extra money with no scheduled hours? Join our Sales Referral Program and receive a commission for any referral that results in the close of a sale. Network with your colleagues and introduce them to the Seacliff products.

Recommended but Not Required:

- Familiarity with curriculum mapping and instructional planning and/or teacher web pages
- Familiarity with the K-12 Market
- Can network with school district administrators and directors of technology to generate leads.

Please review our website at [www.seacliffedu.com](http://www.seacliffedu.com)

After your review, if you are interested in representing Seacliff in your locale (exclusive territories are available), please email me at [gregg@gmhcpa.com](mailto:gregg@gmhcpa.com). Make sure you include your phone number and convenient times for me to contact you to discuss this matter further.

Thanks,  
Gregg Heininger
