## ***THE SONS OF THUNDER COALITION, INC.***

### ***RAISING YOUTH ABOVE THE STRUGGLE***

The Sons of Thunder Coalition is a faith base non-profit youth development organization that was established in 1995. From our inception we have utilized athletics to expose Greater Hartford youth to career and education options. Through athletic leagues, field trips, community service, job shadowing, career and college workshops, the SOT has a history of going the extra mile for helping Hartford area youth. Since 1995, we have served thousands of youth and given 30 scholarships to deserving youth.

With that in mind, the SOT is seeking several volunteers to assist with organizing a field trip to Washington DC in April, 2012. It is our hope that this group of volunteers would be willing to help us with other trips and college tours. This would be a good fit for a fun, detailed oriented individual. If you are interested, you can reach Mike Copeland at 860.965.1388 or by email at [mikecopesot@comcast.net](mailto:mikecopesot@comcast.net)
