

VOLUNTEER OPPORTUNITY

**Volunteer hours: 2:30 – 5:30
Monday and Wednesday**

If you love working with 7th and 8th graders this is your opportunity to make a difference in their lives. Volunteer as an assistant for the Teen Outreach Program. This is an evidence based youth development program. Teen Outreach Program's strategy is based in community volunteer service, classroom learning and academic enrichment.

Be a part of touching these children's lives. Through a fun and creative process we will help these children to learn healthy behaviors, explore values, goal setting, and relationships.

The volunteer position runs two days a week and is held at Teachers' Memorial Middle School. A volunteer is need to start December 5th and will continue throughout the school year. This program runs in conjunction with the school calendar which means there is no program on scheduled early dismissals, parent teacher conferences, seasonal breaks, holidays and school closings.
