

Dear Retired Educators,

The Hub Academy, a relationship-centered microschool serving homeschooling families in Wallingford, is looking for a retired certified teacher to join our team for the 2026–2027 school year.

If you miss teaching but don't miss the demands of a traditional classroom, this may be exactly what you've been looking for.

Position Details

- Tuesday, Wednesday & Thursday
- 9:00 AM – 12:00 PM
- 5th–6th Grade POD
- Just **6 students**
- \$35/hour

At The Hub, you'll have the opportunity to focus on what drew most of us to education in the first place—building meaningful relationships with children and helping them grow.

Our intentionally small class sizes allow teachers to truly know each student, individualize instruction, and teach without many of the pressures that often accompany larger school settings. Our families are deeply invested in their children's education, and our staff works collaboratively to create a warm, supportive environment where both students and teachers thrive.

We're not just looking for someone to teach a class—we're hoping to welcome a seasoned educator whose experience, wisdom, and steady presence will enrich our entire school community. We believe retired teachers have so much to offer, not only to students but also to younger educators who benefit from their mentorship and perspective.

If you're looking for a meaningful way to continue making a difference while enjoying a flexible, part-time schedule, we'd love to hear from you.

Please contact me directly for more information:
